

I would Like to let you know that k-love serves myself and my faily as a resident and as a local comunitty in a positive and encouraging way, by being one of the very few radio stains with programing that is sutible for a family to listen too.I belive the local community would suffer greatly if k-love were displaced by an LPFM broadcaster was to provide other broadcasting.I belive that K-LOVE provides a positive alternitave service to the public at is in not only my familys but the public communities best interest
